A GOOD SHOWING.

The people of Manhattan can well feel proud of the fact that there is not a destitute family in town—not one that requires food or clothing being sent to them. Few communities of this size can say as well.

NOVELTY DANCE HELD AT MINERS' EXCHANGE HALL

The regular weekly novelty dance at Miners' Exchange hall on Saturday night was well attended, notwithstanding numerous counter attractions. The music was good and the management was of the best, without any objectionable features. These dances are conducted every Saturday and the fact that people can drop in for one or two dances for a nominal sum seems to please the public.

AMUSEMENTS

BUTLER THEATER.

At the Butler this evening the following splendid program of pictures will be shown: "The Chief's Son," a splendid Biograph western drama; "The Counterfeit's Fate," a Lubin drama; a Kalem split-reel showing "Historic Boston" and the "Watch Came Back," and a Vitaphone drama entitled "The Other Woman." This is a strong picture, bringing plainly before men an inherent human weakness to fall for the other woman who often comes into his life to the neglect of the one he has sworn to love, cherish and protect. There is marked difference in the other woman in his existence that proves worthy of her sex. There is something well worth seeing in this beautiful Vitaphone life portrayal. Wednesday, "The Next Generation," a Vitaphone two-reel, and Alka like and the Wild Man," a great comedy.—Adv.

Coffee

What has happened to coffee when it's stale?

It has given off part of its flavoring essence—like perfume in an uncorked bottle; and the rest has been tainted with foreign odors.

The only way to keep coffee fresh after roasting is to pack it promptly into aroma-tight cans—as is done with Schilling's Best.

Preserved in its aroma; cleanly granulated; 1-lb., 2-lb. and 5-lb. cans; moneyback.

Moving Houses by Tractor

Parties having houses to move from Goldfield will do well to see G. W. Litts. We have a heavy gas tractor on trial and while we are breaking the road we will haul some light houses very reasonable, and guarantee them delivered in good condition. A little later we will bring larger ones. Drop us a card in Box 1011, Tonopah, and we will come and see you.
